

Church Bylaws

Bylaws serve as the internal governance of a corporation/religious corporation (i.e. a church). The Bylaws may cover an array of topics concerning the church and its operations. This generally includes important legal matters such as church Membership, the required composition for the Board of Trustees/Board of Directors, what constitutes a quorum, and other internal operating matters. Most states, pursuant to statutory law, require corporations to adopt Bylaws after legally incorporating. a list of topics to consider when preparing to draft and adopt church Bylaws. The church may include additional topics that are relevant to its operation.
